### Faith Promise—Daryl and Cisca Ireland

The Irelands have served as missionaries for fourteen years. Soon after they were married they helped plant a church among the Indians in Fiji. They also provided theological education for pastors on the islands. More recently, they served in a creative access area. Daryl was the Field Education Coordinator, providing oversight and direction to theological education, while Cisca recruited, trained, and deployed missionaries who volunteered to serve on the field.

The Irelands have also been involved in restructuring at the Church of the Nazarene's Global Ministries Center, helping the denomination develop ways to send missionaries from anywhere in the world to everywhere in the world.

Currently, Daryl and Cisca are pursuing doctoral studies in Boston where they reside with their son, Alexander. Daryl is finishing his work on Chinese Church history, and Cisca is studying the intersection of theology and art.

It remains a joy for them to share the Good News of Jesus Christ, and to talk about what God is doing in Asia.

### Announcements

#### Thank you, Veterans!

We thank and give honor to all those who have unselfishly, nobly and heroically placed themselves between us and danger in order to protect our great country and our freedoms. They were willing to do all and give all to help achieve and cherish a just and a lasting peace among ourselves and with all nations.

#### Nursery and Toddler Room Assistance Needed

We still need a few volunteers to assist in the nursery or the toddler room. Volunteers serve on a rotating basis – or you can volunteer to be a back-up helper in the event of the illness of another volunteer. Please email or contact the church office to volunteer!
