## Announcements

### Small Groups—Sign Up Today!

We encourage every family and every individual, to be a part of a small group, if able. We are training leaders to assist in this ministry, and are looking for volunteers to host these group meetings in their homes. Typically, groups have 6-11 members, or 4-6 couples, or whatever combination works for them. They can be geographically based, stage of life based, or completely random. If you are interested in participating in a small group, please tell the church office (especially if you told them in the past, at a time when small groups weren't operating.) We expect most small groups to meet twice a month, and the details/schedule of each group will be decided as the group organizes. Got questions? Talk to Pastor Dan or Pastor Garry.

## My Story

Have you finished writing your story? Remember, Pastor Dan asked you to write out the story of how you came to trust Christ as your Savior. What were the influences, the people, the circumstances? And what has God done since then to shape and mold you? What significant decisions has he helped you make?

If you have completed it, give it to Pastor Dan. If you want your story to remain confidential, be sure to label it as such.

We would very much like to have some of these stories read in church over the next 7 weeks. If you are too shy to read in public, let us know and we will find a person to read for you. Most of all, take this opportunity to announce that the Kingdom of God has come! After all, announcing the Kingdom is one of our primary responsibilities!
